### Houston Stronger Conference

Houston Stronger is a coalition of civic groups, business associations and active citizens from throughout the Texas Gulf Coast region dedicated to working with local, state and federal officials to implement a comprehensive regional flood and storm resiliency plan that safeguards our citizens and property.

*Nearly a year after Hurricane Harvey, we will hear from representatives of the City of Houston, Harris County and the U.S. Army Corps of Engineers and what has happened since and what is planned to improve the area's resiliency. The Honorable Judge Ed Emmett will be there to talk more about the upcoming bond election on August 25th.*

Barker Flood Prevention is an advocacy group with the goal of identifying and promoting immediate and substantial flood control projects in the Barker Reservoir Area, both upstream and downstream.
